# THE MOCK RECALL

Mock Recall  
Kafe picked on 9/25

begin 10:00  
AM inventory — 0  
PM inventory — 27  
customers & awards 380, customers 1, 2, 3, 5 etc  
total to account for 407

double check your math  
if your work is correct you're finished  
End time 10:15

For a real recall the 27 in inventory would  
need Hold tags and be isolated.  
All customers who received the product would  
need to be asked and notified

THANK YOU
